

2023-2024 SPONSORSHIP Deck

Our Mission:
To enhance the
quality of life and
empower
individuals faced
with mental
health and
housing
challenges as
they transition
toward wellness

About the Alcott Center

The Alcott Center has been on the forefront of community mental health services since 1979, meeting the needs of community members who have little to no income, are underinsured, and would not otherwise have access to the care they require. For the last several years, we've seen the number of people seeking services increase, and we remain dedicated to continually increasing our capacity to deliver those services.

Your Sponsorship Supports These Programs

Mental Health

Outpatient individual & group therapy, psychiatry, case management and preventative services for adult community members without insurance or who are Medicaid beneficiaries

Supportive Housing

Intensive case management, housing navigation, and permanent housing services for community members navigating housing & mental health challenges

Justice Involved Re-entry

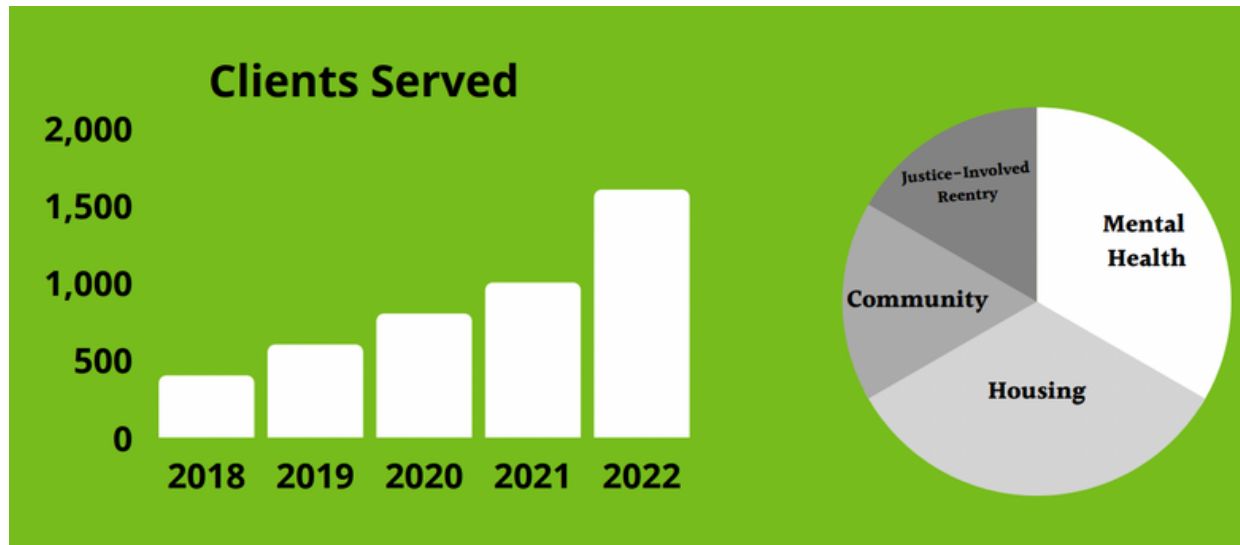

Transitional bridge housing, including mental health, nursing, life skills and substance use services, for community members navigating reentry and case management for individuals navigating justice-involved reentry & mental health challenges

Community

Alcott is the founder & lead entity of the Pico Robertson Health Neighborhood, a coalition to support the overall health of the westside community.

Our Impact

Clients being supported with justice-involved re-entry services will not return to incarceration.

Client consultations completed over the last fiscal year, including therapy and case management.

Rate of attendance for therapy appointments through the mental health center

83% of Every Dollar Donated Go Towards Direct Services.

"Alcott provides great resources and ensures that everyone is prepared for their next steps by making people feel safe and comfortable."
